Sorry, but I will have to shift our call for an hour later on that date, so now I am proposing 10am your time. Does that still work for you?

Thank you Delanie. We will review the documents. I know that previously you told me that you were available in the beginning of this week, but would you happen to have availability on this Friday, the 21st or this upcoming Monday, the 24th?

If not, I think we can make tomorrow work.

I apologize if these documents are all messed up – it's late – and I was rushing to finish. That being said, attached is a draft with comments – black font is text from the original you sent – green font in black brackets and strike thru is deleted material – red font and underline is added materials. At least I hope I got all the colors correct. The other document is the draft with all the changes incorporated. Pass along to whoever needs to know.

Talk to you next week. Have a good week-end, or I hope you had a good week-end, whatever the case may be :)
